New Updates (since last bulletin)

Bethlehem Care and Hospice Trust

You will remember from the Heads' and Chairs' meeting at the start of term, Joe McNally spoke to us about the Bethlehem Care and Hospice Trust, a Hallam Diocesan charity that many of you have supported in the past. Like many charities, they are finding it really tough to raise the money they need to provide palliative care in Bethlehem. Joe asked if schools across our St Clare family would consider an own clothes day, or other similar fundraising event during advent.

If you are planning an event, or would be happy to run fundraising for this charity in your school this advent, please let me know. Please also let me know who in your school is best to act as a contact. Joe is happy to liaise directly with those people about any support or input that would be helpful from the charity.

Head Teachers' Bulletin 21st November– 2025

I would ask you to email Anita by the end of Wednesday 26th Nov if you can support with fundraising and, if so, who is the best contact person.

Trust INSET workshop leaders

Can I remind you to complete the MS form (Link in the Actions section above) to let us know about colleagues in your schools who would be great to lead (or co-lead) workshops for the Trust INSET day in February. We really want to celebrate and share the expertise we have across the Trust and can only do that with your help.

Good News from Schools

A reminder to highlight for me any good news from your school that you would like me to highlight for Directors in the CEO report. Every term I capture stories from school visits and look at your websites & social media to highlight for Directors, but I don't want to miss things that you would want to share. Please just drop me an email if there is anything you'd love me to share – even better if you can email with a link to your website. Thanks to those who already have.

Heads' Conference 2026

An early date for your diary – we are booking next years' Heads' Conference on Thursday and Friday 19th & 20th November. These dates seem to work best to help ensure everyone can be there.

Equal Ambition - target setting in the **secondary** phase

Thank you for your responses in relation to availability of key staff. Based on the availability of colleagues, we will meet online 2.00 - 3.30pm on Friday 12th December.

Prayer and Liturgy Coordinators (PLC) network meetings

Thank you to all colleagues who attended the first PLC network meeting last week. Minutes are attached. Please note that the next meeting date has changed from 5th January to 19th January in response to feedback about attendance being difficult on the first day back after the holidays.

Trust Choir

We are proposing another Choir workshop day at the Cathedral on 22nd January, 9.30-2.15.

Please let Anita know if there are any major issues with that date. If not, we will go ahead with that plan and will be in touch soon with further information. The choir will be working toward future Trust events (more information to follow) in order to build on the wonderful start they have made at the last two Trust Masses.

Important RWI Training

We have booked and paid for Two Day RWI Training as a result of a number of schools informing us that they have staff who require this. Anita has sent out the following email to all reading leads. Can heads please make sure they book staff onto this training.

Read Write Inc Face to Face Training

Head Teachers' Bulletin 21st November– 2025

We have secured training dates for two days of face-face RWInc Phonics Training.

This training is for staff in your schools who are teaching RWInc, but have not had face-face training from a RWInc trainer.

Dates are below and further details will be sent out nearer the time. The training days will take place at St Catherine's Catholic Primary School

8th January - St Clare's Trust RWI training day 1 - full day (speed sound lesson)

27th March - St Clare's Trust RWI training day 2 - full day (storybook lesson)

Items from previous bulletin

Aspiring Leaders

Thank you for supporting attendance on the final full day for our Aspiring Leaders. The focus was on accountability. Given our work on the characteristics of excellence for leadership, you may be interested in the definition they came up with for productive and healthy accountability in schools:

Accountability is a collaborative, transparent, and integrity-driven process in which individuals or groups are held responsible for their actions through honest dialogue, ethical decision-making, and a commitment to fairness. It fosters effective practice and outcomes, guided by principled philosophies and a moral compass to serve the community.

Also, one great personal reflection on what their learning was from the day:

That as a head you are accountable for a lot!! But, you are supported....curiosity and improvement, not judgement.

Feedback on this programme has been very positive, and we'd like to thank everyone who has contributed to the design and delivery, to mentoring and in supporting attendance. It is a really important piece of work to help ensure a pool of future headteachers who are excited about the prospect of applying for a headship within our Trust. The Aspiring Leaders have really valued the support they have received.

The final component of the programme will be presentations around their school improvement projects and learning. We will hold these during w/b 22nd June. The format will be panels of 3 mentors, hearing 20-minute presentations from their 3 mentees. Anita will send round a request for availability - and we will organise this around availability in order to minimise disruption.

Head Teachers' Bulletin 21st November– 2025

Optional Online Session: Introducing the New Subject Leader Guidance Booklet

We're pleased to invite Headteachers to an optional online session on **Monday 24th November at 3:30pm**. This short session will introduce the **Subject Leader Guidance Booklet**, designed to support staff who are new to the role of Subject Leader.

The session will provide an overview of how to use the booklet effectively, key features, and ideas for supporting colleagues as they develop in their leadership roles.

Date: Monday 24th November

Time: 3:30pm (online)

Audience: Headteachers and colleagues supporting new Subject Leaders

The **Subject Leader Guidance Booklet** will be shared in advance of the meeting to allow colleagues to prepare any questions.

Art Subject Immersion – 8th December

Notre Dame are leading the Art Subject Immersion session on Monday 8th December. For planning, we need an idea of numbers. Please let Anita know who will attend from your school.

Senior Leaders

Please see the attached document setting out the programme for senior leaders for 25/26. This is aimed at senior leaders across all Trust schools and Associate Schools. Please complete this FORM by 21st November to register interest from any senior colleagues in your school
